

Can I order hardware from VOIPo?

Saved From: <https://voipo.com/help/article/can-i-order-hardware-from-voipo-35.html>

You are able to purchase hardware from us. You can do this in your Reseller Control Panel, simply navigate as follows: Hardware -> Order Hardware, you will then be able to specify the name and address of where you wish for this hardware to be sent. It will be sent completely white label. The charge for this hardware purchase is \$40.00 + \$5.00 shipping, totaling \$45.00.
