

How do I access VOIPo's reseller forums?

Saved From: <https://voipo.com/help/article/how-do-i-access-voipo-s-reseller-forums-38.html>

You can add your forum account username, simply login to your Reseller Control Panel and click on Preferences at the top. You will then be able to submit a forum account username under "Forum Account Activation" to grant yourself access to the reseller forums.
