

Where can I find my SIP credentials?

Saved From: <https://voipo.com/help/article/where-can-i-find-my-sip-credentials-52.html>

You will be able to find your SIP credentials for your applicable Full Service Line account simply by logging into your Reseller Control Panel and navigating as follows: Accounts -> [Click on Applicable Account Username] -> SIP Credentials. You will then be able to use this information to connect to our network from any SIP compliant device or Softphone.
