

Can I set individual usage limits per phone number?

Saved From: <https://voipo.com/help/article/can-i-set-individual-usage-limits-per-phone-number-57.html>

Absolutely. You can set an accounts minute usage allowance by logging into your Reseller Control Panel and navigating as follows: Accounts -> [Click on Applicable Account Username] -> Usage & Limits. You will then be able to set the desired usage limits for an account.
