

How do I reset my vPanel password?

Saved From: <https://voipo.com/help/article/how-do-i-reset-my-vpanel-password-62.html>

If you have forgotten your password for the vPanel Account Management Tool, you can reset it by clicking on the Forgot Password option on the vPanel or visiting the following page: account.voipo.com/resetpw

You will need to provide the following information to initiate the password reset:

Your Email address associated VOIPo Phone Number (username)

If you are unsure about any of the information requested above or have any further questions, please contact technical support free at 877.99.VOIPO (877.998.6476) or via email at support@voipo.com
