

# Do Not Disturb

Saved From: <https://voipo.com/help/article/do-not-disturb-67.html>

---

Not in the mood for conversation?

Turn 'DND' on, and all calls will be forwarded to voicemail or a busy tone.

From your vPanel Account Management Tool [account.voipo.com](https://account.voipo.com)

- 1) Click on "Features"
- 2) Select "Do Not Disturb" on the left column
- 3) Select your desired option of 'busy signal' or 'voicemail'
