

Will dangerous weather affect my VOIPo service?

Saved From: <https://voipo.com/help/article/will-dangerous-weather-affect-my-voipo-service-71.html>

As long as your internet connection is functional and your VOIPo device is powered, you'll be able to use your service regardless of the weather outside. VOIPo Support cannot guarantee the up-time through acts of nature that could inadvertently cause the connection to VOIPo to be severed (i.e. ISP issues, power outages etc).
