

Does VOIPo provide technical support for my customers?

Saved From: <https://voipo.com/help/article/does-voipo-provide-technical-support-for-my-customers-8.html>

No. VOIPo does not provide technical support for your customers. We provide support to resellers only.

You are responsible for providing support to your customers.

If you need help, we will help you, but we will not interact with your customers directly.
