

Can I disable international calling on my account?

Saved From: <https://voipo.com/help/article/can-i-disable-international-calling-on-my-account-85.html>

You can block outgoing international calls on your VOIPo account by doing the following:

- 1) Log in to your VPanel at account.voipo.com.
- 2) Select the "Features" tab.
- 3) Click the drop-down menu labeled "International Calls" and select "Block International Calls"
- 4) Click the Update button.
