

Can I use my VOIPo service when I am out of the country?

Saved From: <https://voipo.com/help/article/can-i-use-my-voipo-service-when-i-am-out-of-the-country-92.html>

Please be aware that VOIPo can not offer assistance with any connectivity issues while using the hardware outside of the US. As a US based company at this time we only support the use of our services within the US.
